

ALL TOGETHER NOW

Follow-up Discussion and Activities Guide

1. What were your favorite parts of the assembly?
2. What is the most important thing that Ruby learned when she started her project?
3. Did you understand why the elephants had to work together? (The rope slipped out of the other end if they weren't both pulling on it at the same time.) Can you think of anything that doesn't work if only one person is working at it?
4. What gave Kenan the idea to start helping homeless people? How does working together make a difference in what he is doing?
5. What are some things we need to keep on trying even when we don't get it the first time? What are some ideas to help keep us from giving up too easily?
6. Share something about how one of your good friends is different from you, but it doesn't keep you from being friends.
7. "President Austin" reminds us that love isn't just how we feel about someone, it's about showing them love? What are some ways you can show love in your class?
